

A warm welcome to all of our **new children and staff** and **welcome** back to all of our existing St. Barnabas families. I am excited to start the new school year by announcing that we have been awarded our **8th successive Green Flag Eco Schools Award**. A superb achievement and the highest number of awards in the County. A second exciting bit of news is that, due to our on-going commitment to improving and caring for the environment, we are honoured to have been selected as the Worcestershire school to receive the Queen's Jubilee Tree in recognition of the Platinum

Jubilee. More news to follow about this but every child will be involved and there will be an exciting 'planting ceremony' on October 8th at school. We are committed to caring for the environment!

We have a fantastic **new website** with a fresh feel and updated information.

Welcome to St. Barnabas C.E. Primary School

Phone: 01905 22766 Email: [office@st-barnabas-primary.worcs.sch.uk](mailto:office@st-barnabas-primary.worcs.sch.uk)

Inspire Nurture Achieve Important Information Parents

A few pages are still under construction but most information has been transferred and can be found under one of the headings:

**Inspire, Nurture, Achieve, Important Information and Parents.**

The website is mobile friendly and we aim to keep year group pages (under Inspire) and parent information regularly updated. To make it easy to find, the domain name matches our e-mail address:

<https://st-barnabas-primary.worcs.sch.uk>

Name	Class	Stars of the Week

**PTA Friends AGM**

**Friday 24th September 2-3 pm**

**School hall/DT Room**

All parents and carers welcome

A ParentMail will be sent prior to the meeting; please say if you will be attending so that we can plan for numbers.

**KEEP CALM  
YOUR  
PTA  
NEEDS YOU!!**

Children in class 6Sm were the first in the UK to visit the new **Diglis Weir Fish Pass** site. They were able to find out about the purpose of a weir and view the fish swimming upstream from a special underwater viewing area.

Later they undertook a **STEM task**, creating their own model fish pass and solving real world environmental problems.

The team running this new trip were extremely impressed with the **excellent manners and behaviour** shown by our pupils, as well as their **enthusiasm for learning and knowledge of science, technology and habitats**.

We aim to hold the trip with other older pupils at school.

## Keep the Date! More details to follow:

Wednesday 6th October St. Barnabas Church

**Year 6 parents and carers:**  
**Application to High School**  
**Deadline is 31st October 2021**

All applications must be made on line and you must receive confirmation of application by e-mail.

Please ask at the office if you need advice or help with applying for a High School place for your Year 6 child for next September.

**Worcestershire School Admissions:**

[www.worcestershire.gov.uk/info/20099/school\\_admissions](http://www.worcestershire.gov.uk/info/20099/school_admissions)

Thank you for your help making sure every child is wearing **school uniform outdoor PE kit** for their PE days. This includes a PE T-shirt, **plain navy jogging bottoms** and a plain navy or school logo sweatshirt and does not include football shirts or shorts, leggings or cycling shorts. We are here to help where families are struggling financially. Please see Mrs Hanson if you need help with uniform.

**Thank you**
