Essential Knowledge

By the end of this unit children will...

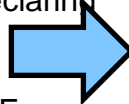

- Know about and understand the significance of the Battle of Britain
- Understand and recall the significant dates and events of World War 2
- Offer reasons to explain why the war started
- Explain how and why the changing role of women was significant to the war effort
- Recall key facts about rationing, evacuation and the Holocaust.

Launch

Children will experience what life was like in World War 2 through re-enacting evacuation, air raids and listening to Neville Chamberlain declaring the outbreak of war.

Battle of Britain workshop from RAF Cosford will bring our learning to life

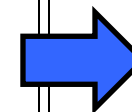

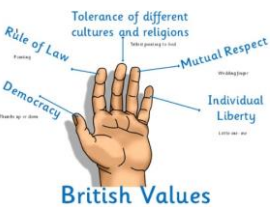

Explore

The children will research what life would have been like as a child during World War 2. How Britain's society changed as a result of the men going off to War and how this affected the lives of children. We will also look at the impact on children in occupied countries.

Celebrate

Children will be experiencing a day in the life of an evacuee including a tea party and dance.
