

Reception children run their first race, cheered on and supported by House Captains, staff and friends!

## Cross Country Autumn 2021

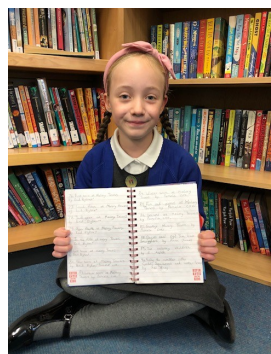

We were so proud of every child for the way they took part in the **whole school Autumn Term Cross Country event**. House Captains were superb, getting every child warmed up and ready, acting as 'hares' for the younger children and supporting anyone who needed a hand. The children were so excited and enthusiastic to be taking part and really gave it their all. We almost had a photo finish in the boys Year 2 race as **Eric and Buddy raced for the line**. Every child who took part won points for their house. Well done to **Wolves House** for winning the House cup. The first time in several years that it hasn't been won by Royals, who came in second place just behind Wolves. Encouraging **healthy lifestyles for all!**
