Stand Up! Speak Out!

This year our Anti-Bullying week took the theme, Reach Out and we encouraged every child to think about how they could stand up and speak out against things that are wrong and also to reach out for help if they need it. We were genuinely blown away by the passion and strength that children showed, in their empathy for other people and in wanting to make the world a better place.

We taught every child to say 'Stop it, I don't like it' and to be assertive without being physical when someone says or does something that is unkind. Anti-Bullying works! We need to help every child to stand up for kindness and say no when something is wrong.

Name	Class	Stars of the Week w/b 14/11/22 & 21/11/22
Otto-Dodgson-Matty Matthew Tyrrell	RM	Fantastic behaviour and working hard Coming in to school with a smile

City 1st
Wolves 2nd
Warriors 3rd
Royals 4th

Huge congratulations to City House who came in first place with 191 points at the House Cross Country. This is the first time that **City** have won this house event and they are over the moon to have their **red ribbons** on the House trophy! Year 2 and 4 were particularly exciting races and we were also really pleased with the way our oldest children supported their teams. Cross country is great for **physical fitness** and **mental health and well-being**. It encourages children to **push themselves**, show **perseverance** when something is hard, be part of a **team** and know that **your contribution counts**, as well as to support and **encourage others**.

Christmas Service In Church Tuesday 13th December 1.30 & 5 pm

The Christmas Service is always a lovely event and a great way to come together as a community to celebrate the birth of Christ. Both services are expected to be 45 minutes long and the evening service is due to finish in good time for families to get home in time for the World Cup, which we know a lot of people want to see.

All children (Reception to Y6) will take part in the afternoon service.

We would like all KS2 (Years 3-6) children who can come, to come back and join in for the 5 o' clock candlelit service. KS2 children who have volunteered to be a reader or part of the Christmas Tableaux must attend or tell us in good time if they can't come, so that we can choose someone else.

The Christmas service is often very special and beautiful. Please arrive at 4.45 to get seated. Younger children are **very welcome to come back and either join in or sit with their families** but, we know that younger ones often get very tired, especially at the end of term, so that is optional for Reception and KS1.

There will be **singing**, including some **traditional carols** that families are welcome to join in with, **drama**, the **Christmas Story told in digital imagery** made by the children, **prayers** and a **special Christmas message from Rev. Sarah**, who always brings a sense of fun and happiness to her services and assemblies. As you know, there is limited space in the church so adult entry will be by ticket sent to your phone by PM.

Requests will be sent out via Parent Mail next week.

We look forward to seeing as many parents and family members as possible joining us in church.

#schooleveryday

Our whole school Christian
value this half term is Justice

Blessed are they
who maintain
justice,
who constantly
do what is right.
-Psalm 106:3
