WELLBEING

RELATIONSHIPS

TEAM WORK

We are also very proud of our staff runners too, who all really challenged themselves to take part.

We had an amazing time with over 60 St. Barnabas children running the Worcester children's fun run on Saturday. We were the first school to enter a whole team and are so proud of the energy, teamwork and commitment to fitness shown.

What do our children say about sport, staying healthy and fitness?

I love climbing the monkey bars right to the top.
Eva Year 1

LET'S GO!

Gymnastics is Fun!

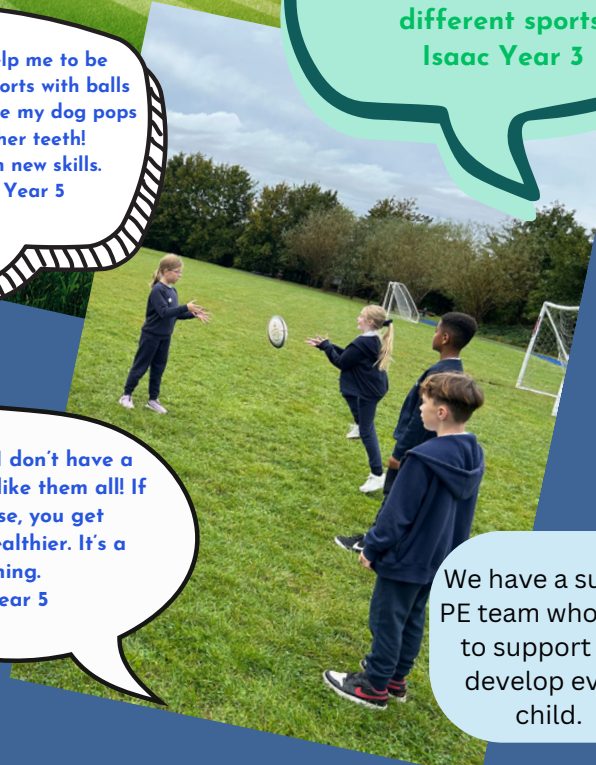

I love running and everything I learn about the different sports.
Isaac Year 3

Children in Year 1 are learning how to create different shapes using their bodies. These are the tuck, the star and the pike!

PE lessons help me to be able to play sports with balls because at home my dog pops them with her teeth! So I can learn new skills.
Raegan Year 5

It's a lot of fun. I don't have a favourite sport, I like them all! If you do exercise, you get stronger and healthier. It's a good thing.
Owen Year 5

We have a superb PE team who want to support and develop every child.

Some of our Worcester Runners were very excited to wear their T-shirts and medals at school on Monday.

Children in Year 5 are practicing passing and receiving skills, ready to play Tag Rugby.

I stay healthy by drinking a lot of water every day and eating green watermelon!
Sahil Year 1

We encourage children to drink water in school to stay hydrated.

Why Does Wearing the Correct PE kit Matter?

We have been **tightening up on our PE kit** as we started to find too much variety in clothes worn on PE days.

We want the children to **look smart, feel proud** of their school uniform and recognise that there are times to conform and times to dress as we please.

Please support us with this. The main point for PE is being able to participate **comfortably and easily**. Children should not be worrying about branded or expensive clothes in school. Our PE kit is **smart, plain, affordable** and has enough variety to suit a range of different needs. It can be bought via the **website or in local supermarkets and stores**.

The only recent change that we have made is to allow a **navy skort** as we have seen these look smart and be very practical for indoor and outdoor sports.

we have a large stock of spare kit and will be asking children to change if they come to school with incorrect PE kit.

PE kit is school uniform.

Please also remember to **tie back long hair** and **remove or cover earrings for safety**. we are happy to help with this.

Both Photos show Correct Kit:

Plain navy or royal blue shorts
(or skort)

Plain white or school logo round
neck T-shirt

Plain navy, school logo or royal
blue tracksuit

Pumps or trainers

*No cycling shorts, football shirts,
branded shorts, other coloured hoodies
or leggings please*
