Merry Christmas from everyone at St. Barnabas and Green lane Pre-School

Our services at church were s well attended and we somehow managed to squeeze in everyone who wanted to come.

The candlelit evening service is always a special atmosphere and we were so pleased to welcome so many children and families back.

Happy Christmas!

We hope you enjoy the lovely cards, decorations and calendars made by the children.

These fantastic tree decorations have been made by Year 2 children as they learn to sew!

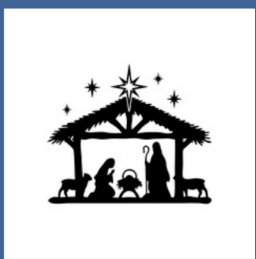

Our two, three and four year olds delighted their families with songs and dancing to tell the Christmas story.

Year 4 and 5 have been putting their Design Technology skills to plan, make and evaluate to good use making pop up books and biscuit houses!

Once the books were finished older children loved sharing them with children in Years 1 and 2.

There's always clearing up to do.....
