MUSIC MARK

MUSIC MARK SCHOOL

Over fifty of our KS2 choir joined more than five thousand children last week to sing in the largest children's choir in the world. Held at Birmingham Arena, the children spend many months learning a wide range of exciting and challenging songs. The children were, as usual, superbly behaved and joined in with enthusiasm and energy. We were also delighted to see so many family members who were able to come and watch the performance.

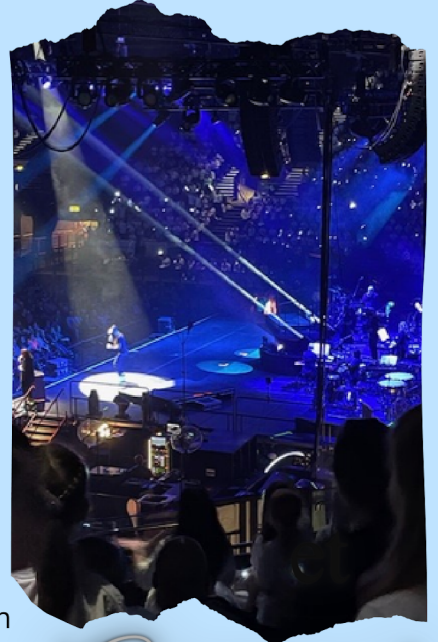

A St. Barnabas favourite was a guest appearance of **MC Grammar!** Our children shocked nearby schools when they knew every word and joined MC in his famous World Book Day Rap! He was so thrilled he tweeted about us!
