Steve Cram visits St Barnabas

On Wednesday we were all inspired to continue our running journey by Steve. He shared his own running story, answered questions and signed autographs. We can't wait to join him for the Worcester City Runs weekend in September.

Bikeability

Reception have continued to build their balance bike skills and Year 5 completed their Bikeability sessions in school and out on the road.

It was great fun to be able to host a mini festival for our girls football team. St George's were the opposition and several games were played with all the girls, showing the skills they have been developing at 'Lionesses Football Club' after school. Well done!
