Inspire
Nurture
& ACHIEVE

Our nature loving Reception children have been excited about growing their own butterflies from tiny eggs, learning about their life cycle and what they need to stay alive! Today they let them go and watched them fly.

After SATS tests in Reading, English Grammar, Arithmetic and Maths Reasoning this week our oldest children relaxed with rounders and parachute games. In art they designed, wrote and painted these stunning wellbeing phrases based on the work of Charlie Mackesy.

All year groups have learnt more about Mental Health and Wellbeing this week, in an age appropriate way.
