Year 6

Performance

Year 6 did an outstanding job, performing 'A Hint of Snow White' to a packed theatre this week. The cast, led by Laura Davies as magnificently Evil Queen Malodorous and her sidekick, Lickspittal, played by Henry Mace, had the audience booing and hissing. Luckily Ember Steelefox, as the beautiful and good natured Snow White was saved by Fairy G, (Bella Webb) and her Fairy-In-Training (Willow Davis). There were so many wonderful moments in this production but the superb solo and group singing by so many children, a lot of laughter, a brave Magic Mirror finally speaking the truth (Elisha Griffin, Hasnain Jamil, Jacob Kevis & Nyah Hagglund), a handsome and artistic Prince (Pheobe Sparrey) and of course, goodness, truth and love made for a **Happy Ever After!**

Congratulations!

YEAR 6

St. Barnabas Has Got Talent!

This year we were stunned at the quality and variety of our talented pupils. We had singers, dancers, gymnasts, acrobats, musicians and multi-talented performers. A huge Well Done to all of the children who were selected to represent their classes and to our overall winner, violinist George in Year 5. Thank you for entertaining us all and to our Year 6 School Council Officers who compered the show!

Family Learning

Well done to our fantastic Family Learning crew who have all been presented with an air fryer to try out more of the recipes they have been trying at school recently. Parents said " the course exceeded my expectations- I was slightly wary beforehand but it was great"

"Lots of fun and learning"

"A sense of community"

"Lovely to be with the children and bond with them as sometimes there's no time at home".

Thanks to Lisa and Jessica from the Adult Learning Worcestershire team for some wonderful Family Learning this year. Look out in September for the next opportunities!
