

Key Instant Recall Facts (KIRFS)

Year 1 Autumn 2

We are learning ...

To rapidly recall the number pairs of each number up to 6

Key Vocabulary

- number pair
- add
- plus
- totals

Key Questions

6 is made of 5 + ?

$$3 + ? = 6$$

$$1 + ? = 6$$

Key Instant Recall Facts

$0 + 1 = 1$ $1 + 0 = 1$	$0 + 2 = 2$ $1 + 1 = 2$ $2 + 0 = 2$	$0 + 3 = 3$ $1 + 2 = 3$ $2 + 1 = 3$ $3 + 0 = 3$	$0 + 4 = 4$ $1 + 3 = 4$ $2 + 2 = 4$ $3 + 1 = 4$ $4 + 0 = 4$	$0 + 5 = 5$ $1 + 4 = 5$ $2 + 3 = 5$ $3 + 2 = 5$ $4 + 1 = 5$ $5 + 0 = 5$	$0 + 6 = 6$ $1 + 5 = 6$ $2 + 4 = 6$ $3 + 3 = 6$ $4 + 2 = 6$ $5 + 1 = 6$ $6 + 0 = 6$

Top Tips

Use practical resources – Your child has one sweet and you give them three more. How many sweets altogether?

Make a poster – Can you make a poster showing the different ways of making 4, 5 or 6?

Roll a di- Roll a 1-6 spotty dice. Write the number pair to make 6.

Use what you already know – If your child knows that $2 + 4 = 6$, they can use this fact to work out that $4 + 2 = 6$. Buy one, get one free! You can also use this to work out related subtraction facts of $6 - 4 = 2$ and $6 - 2 = 4$

Play Games – You can play games to learn number bond pairs online.
