

Key Instant Recall Facts (KIRFS)

Year 1 Spring Term 1

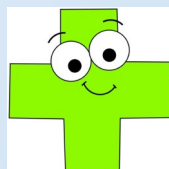

We are learning ...

To rapidly recall the number pairs of 10

Key Vocabulary

- number pair
- add
- plus
- totals

Key Questions

10 is made of 5 + ?

$$3 + ? = 10$$

$$1 + ? = 10$$

Key Instant Recall Facts

$$0 + 10 = 10$$

$$10 + 0 = 10$$

$$1 + 9 = 10$$

$$9 + 1 = 10$$

$$2 + 8 = 10$$

$$8 + 2 = 10$$

$$3 + 7 = 10$$

$$7 + 3 = 10$$

$$4 + 6 = 10$$

$$6 + 4 = 10$$

$$5 + 5 = 10$$

Top Tips

Use practical resources – Your child has one sweet. How many more sweets to make 10?

Make a poster – Can you make a poster showing the different ways of making 10?

Make number cards 0-10. Pick a number card. Write the number pair to make 10.

Use what you already know – If your child knows that $2 + 8 = 10$, they can use this fact to work out that $8 + 2 = 10$. Buy one, get one free! You can also use this to work out related subtraction facts of $10 - 2 = 8$ and $10 - 8 = 2$

Play Games – You can play games to learn number bond pairs online.
