Our Eco Bauble Winners are:

Eco Bauble Competition

well done to everyone who entered- the baubles were beautiful and made a lovely decoration in the hall. Every child who made an entry received a prize, with a special prize for the winners. What a creative crew you are!

Thank you to our PTA Friends for organising the bauble competition and for all of the events they put on for our children and families.

The Christmas Disco raised £685 and was a lot of fun! All money raised is spent on children in school now.

Having a full inspection in the last week of a very long term was very hard work and not really how we wanted to celebrate Christmas week in school. However, we are exceptionally proud of every child and our hardworking and caring staff team. I will share the report with you once it is published. Thank you for your supportive survey responses and kind words at the end of term.

THANK YOU
