makes

### Top Tips

#### Use practical resources

Use items around the house to find different ways of making 5.

For example, I have one blue teddy and four red teddies.

How many teddies altogether? One and four make five.

Make up number stories.

Here is an example. There are 2 cars in the car park and 3 more cars arrive.

How many cars altogether? Two and three make five.

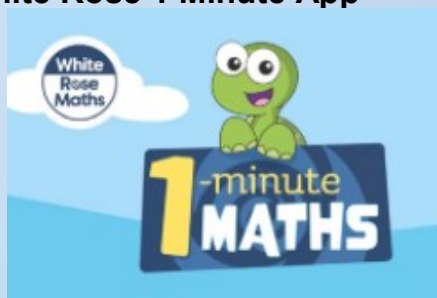

Ask questions during daily routines.

For example, you have 1 biscuit on your plate and I have 4 biscuits on my plate. How many biscuits altogether? One and four make five.

#### Sing number songs

Five little speckled frogs, five little monkeys jumping on the bed and five little ducks.
