Saule Noreikaite Esther Ayo Bello Oscar Cartwright	Extreme Reader	For making an excellent effort and enjoyment of reading at home and at school 						

National Storytelling Week kicked off today with a special Storytelling assembly, led by Mrs Spence and our fantastic School Council Officers.

## Our Amazing Musicians!

On Friday night our Year 5 and 6 choir members had a very memorable and unique musical experience. They performed 15th century music with 41 part harmony with a professional choir, live at Malvern Theatre with the world renowned Armonico Consort. They were joined by The King's School Worcester and two other local schools. The music was challenging and different to anything usually sung and was performed with the choir doing 'surround sound' around the whole theatre! We were so impressed and very proud of them all!

## Congratulations!

A huge congratulations to everyone who learnt and took part in the 'SuperSize Polyphony' and a big 'Thank you' to Mrs Smith, Mrs Webb and Mrs Fletcher for helping them learn and rehearse the music and giving up their Friday evening for children to take part. Thanks also to all of the family members who supported the concert.

Thank you!

## Coming Up....

**National Storytelling Week** 1st-9th February

**Open Door Cafe**- Monday 3rd Feb 8.30-9.30 St. Barnabas church, all welcome

**Children's Mental Health Week** 3rd-9th February

### Parent-Teacher Meetings

Tuesday 11th Feb (on site) 1.30-5 pm

Wednesday 12th Feb (School Cloud) 5-7.30

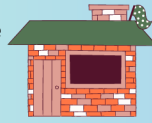

**Reminder: National Number Day! 1 week to get creative with your Numbers Day hats, ties or tops with a 'Mystery Number' theme!**

# What's Been Happening at St. B?

Reception children have been on their first mini geography field trip, looking at houses and homes near our school as they have been learning about 'The Three Little Pigs.' Here they are building some of their own houses!

Children in Reception and Year 2 are learning to sew and loving this new skill!

A lucky group of Year 2 children had a wonderful time exploring Flics gymnastics club and being inspired and trained by some of their lead gymnasts.

## NUMBER DAY

*On Friday 7th February, we will be celebrating Number Day.*

### Dressing up

It is a St. Barnabas tradition to 'Dress up for digits' as part of our Number Day celebrations. This year we would like the children to design and make a mystery number hat, tie or T-shirt to wear on Number Day. The children will write number facts about their mystery number on their hat, tie or T-shirt and we will play a giant game of 'Guess my number.'

*Our theme this year is Maths Puzzles.*

CAN YOU GUESS THE  
MYSTERY NUMBER?

### Fundraising

To help raise money for the NSPCC we are asking for a voluntary donation on Number Day.

### A Mega Maths day!

We will celebrate Number Day together in Maths assemblies. In Key Stage One we will share a puzzling Maths story and learn a fun new number song. In Key Stage Two we will solve 'mathemagical' Maths problems. We will use our Oracy skills to ask relevant questions and respond to others as we work together to solve Maths problems and puzzles.

*We are looking forward to all the fun of NSPCC Number Day and thank you for your continued support.*

*Mrs N. Sheen Maths Subject Leader*
