

Key Instant Recall Facts (KIRFS)

Year 4 Spring 2

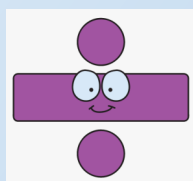

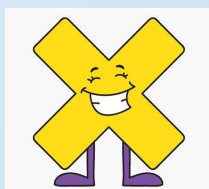

St Barnabas
C of E Primary School

We are learning ...

To know the multiplication and division facts for all times tables up to 12×12

Key Vocabulary

- Multiplication table
- Multiplication fact
- Division fact
- Factor
- Product
- Multiple

Key Questions

What is 3 groups of 8?

What is 32 divided by 4?

How many groups of 6 in 36?

What is 7 three times?

What is the missing number?

$$? \times 12 = 24$$

The children should be able to answer these questions in any order, including missing number questions;

e.g. $6 \times \square = 72$ or $\square \div 6 = 4$

Remember to use key facts to help you, for example:

If you know $5 \times 8 = 40$, you can work out $6 \times 8 = 48$.

Remember to use Times Tables facts to recall the division facts

Games- Be a Times Tables Rockstar! <https://trockstars.com> and www.topmarks.co.uk multiplication games

Use memory tricks – For those hard-to-remember facts, can you create your own memory trick?

The children will be taking a timed times table test in June this year to test their knowledge of all times tables facts. Here is a link to a timed test which the children can use to practice.
