CofE Primary School

22ND
EDITION
FRIDAY 28TH MARCH 2025

To all the school staff who gave up their time to take the Year 3 children on residential trip to Bath! They had an amazing time.

Don't forget that you are welcome to make an appointment to see a member of the leadership team or your child's class teacher if you are worried about something or need advice.

Cycling with Children

Join Cycle Sprog at The Arches in Worcester for an inspiring session on making cycling an enjoyable and practical part of family life. Whether you're new to cycling with kids or looking to refine your family adventures on two wheels, the Cycle Sprog team will be on hand to offer expert advice and tips.

Discover how to get started cycling with kids, including different options to carry or pull them by bike. Learn about the pros and cons of trailers, bike seats and cargo bikes, and how to decide what's best for your family. The session will also cover options for carrying two or more children at once, and some top tips for family cycling adventures.

Come along, connect with other families, and get ready to cycle more confidently and enjoyably with your kids!

On April 10th and 11th, Worcester is hosting the 3rd Global Bike Bus Summit and Bike Bus Participants from all over the world will be joining our city for a fantastic event. We are hoping that some of our Bike Bus participants will be able to join one of the sessions.

Keen to join Bike Bus? Let us know or speak to any of the Bike Bus team on a Monday morning. A HUGE well done to all of the Year 5 children who passed their Bikeability Level 2 Award in the last fortnight. This teaches safe cycling and rules of the road for our older children.

Reception music Festival

Our Reception children had a ball at the Fairy Tale themed Early Year music Festival at Perdiswell Primary school. What a fun day out with music, laughter and dressing up!

Year 3 Residential Trip to Bath

Year 3 had an amazing time in Bath on their residential Roman Experience. They visited the Roman Baths, Corinium Museum and Wookey Hole and came home bursting with knowledge, experiences and sunshine! The children slept well, laughed and loved being together for three days. Thank you to all the staff who gave up their time to make this happen.

POETRY BY HEART

Our Poetry by Heart after school club wowed parents and children at a special assembly this week. The children had all learned classic poetry by heart and used their oracy skills to perform brilliantly. There was not a dry eye in the house. The children are now entered in to a Poetry by Heart Competition where they could perform on Shakespeare's Globe stage in London!

Massive thank you to Iris and her family who are bringing us Friday cakes from Too Good to Go - we are very pleased to help with this environmental project!

THANK YOU

Well done to our Year 5 and 6 netball and football teams who played their socks off at tournaments this week!
