Congratulations!

To everyone for competing in the
Summer Term House Cross
Country.

Running a long distance needs grit,
determination and resilience.
We also love seeing how well the
children encourage and support
each other.

Our House Captains did a fantastic
job! Every child who completes the
course receives a point for their
house and those in the top 5 gain
extra points. It isn't always the
same winners either and we see
children practice and develop and
lots of healthy rivalry!
