Poetry Bonanza in London Town

We are delighted that Lillian Mason in Year 6 is a national finalist in the Poetry By Heart competition. Lillian, her family and some school representatives from Years 5 and 6 travelled to London this week to see her perform on The Globe stage. The children agreed that the highlight of the trip was seeing Lillian up on that stage but the ice creams, tube rides, River Thames and special policemen came close second - well done Lillian!

PETER PAN

A sprinkle of fairy dust, a tik tok of the crocodile and a whole lot of fun kept us entertained in Year 6's brilliant production of Peter Pan this week. We were all blown away by our children's oracy, acting and performance skills. Huge congratulations

to the whole Year 6 team for such an impressive show!

Thank you to Bishop Perowne High School for letting us use their wonderful theatre.

SO MUCH TO CELEBRATE!

Our musicians were in fine form again for the peripatetic music assembly and Rock Steady Concert on Friday. Thank you to all the parents who came in to school to support

What a very special gift from some of our Year 6 children and their families. Thank you for our new buddy bench - future generations of children at St B will benefit from your generosity

Have you spotted our newest addition yet? Our Oracy Centre of Excellence plaque has taken prime position - we are a "National Beacon" of oracy.

Our Year 3 children sung their hearts out at the Big Sing at Malvern Theatres this week. Well done to all of you!
