St. Barnabas Has Got Talent!

Thank you to our judges

Introducing Araminta Holdoff, Belisha Beacon and Simone Towell who gave superb feedback and made good decisions - thank you!

What a show! We were wowed by our talent show in school this week. From diabolo skills to country dancing, singing and performance poetry, it was superb to see so many children putting themselves forward.

Through our work in oracy we are seeing the confidence of our children grow and grow and we are very proud of the performers - do we have future stars in the making?

Congratulations to Maisieann in Year 3, who performed one of our I-Sing Pop songs amazingly well and The Fighters from Year 4 who sang and danced their way to a winning position!

Stars of the Term: Progress and Achievement Summer Term 2024

	Reading	Writing	Mathematics	Other foundation subjects
Rec.	Olivia Webb Arlo Ahmed	Richmond Okechukwu River Wilson	Amelie Bahnsen Isaac Quadling	Theo Nicholls (PSHE) Felix Williams (Art)

Goodbye and good luck!

As well as celebrating the wide and varied achievements of our Year 6 Leavers, enjoying an incredible production at Bishop Perowne High School, St. Barnabas Has Got Talent and, holding our Star of the Term special assembly, we say goodbye and thank you some fantastic staff this week.

Mrs Webb and Miss Moroney both finish today, we have loved having them as part of our school team. We will miss them both and look forward to hearing how they are getting on in their new adventures. We know that they have been a positive influence on so many children, as class teachers and also in the wide range of extra curricular activities supported with or led. A special mention must go to Mrs Webb, who has been an exceptional music lead and organised some fantastic choir trips. Highlights are singing with Armonico Consort at The Royal Albert Hall, Malvern Theatre and Worcester Cathedral. Young Voices in Birmingham; Gotta Sing! at Redditch Theatre. She has also carried on from the great work done by Mrs Penwarden to support and encourage children to learn a wide range of musical instruments and organised music assemblies and Rocksteady concerts. The incredible Year 6 Performances, co-led this year with Mrs Smith and last year with Mrs Spence, have been exceptional and her background in performing arts has been so helpful in inspiring and teaching the children to perform with confidence. She has also been a superb class teacher.

We are all grateful to them for their dedication and hard work and wish them well as they move on.

Please take a minute to read the names of the MANY children who have won awards this week and also to reflect on the achievements, experiences and opportunities that your children have enjoyed this academic year.

We are proud of, and value, every child in our school for their many individual personalities, talents, attributes and abilities. Everyone has something to bring to our world.

We are proud of and value every staff member for the same reason. Our team regularly go over and above what is expected because they believe in our community and want each child to have positive, healthy and purposeful experiences and to learn from the times when things don't go as planned!

We look forward to seeing most of you back in September, some of you at Holiday Club in August. For those we say goodbye to, children, parents and staff, thank you for your support and commitment to our community and we wish you a great future ahead.

*Term starts for
children on
Wednesday 3rd
September*

THANK YOU

**On behalf of all of the staff, a
huge thank you for the many
lovely gifts, cards and messages
at the end of a busy term.**

We appreciate it!

To our fantastic PTA Friends for all the many exciting events and opportunities. A short report of the funds raised and how these have been spent will be shared after the summer holidays.

**Thank
you!**

**SUMMER
HOLIDAYS**

Have a good break and a safe and happy summer everyone!
