# Into Film Festival

Year 3 and 4 had a brilliant time at the Into Film Festival. Year 4 battled the rain to see How to Train Your Dragon and Year 3 enjoyed a lovely walk to the Vue to see Harold and the Purple Crayon. What a fantastic experience for the children!

# ***Anti-bullying Week***

Our St Barnabas Anti-Bullying Week has given us all time to talk, reflect and take action. We have explored what different types of bullying can happen and talked about what actions we can take.

# Hello Pudsey!

What a spotty lot we are! Thank you for your support for Children in Need. Our School Council talk about which causes to support and Children in Need is always top of the list. Well done to our School Council leadership team who planned and delivered a super whole school assembly.

Our Oracy work continues...this week, year 2 have been talking in a traverse, year 5 have been using the “thumbs in” method of taking turns and year 6 have been debating. We have even had visitors from other schools to see our famous oracy assembly.

**Congratulations to all of our medal winners for the House Cross Country, held on the last Friday before half term. Also a huge well done to every child who walked, jogged or ran the course, winning points for their house. This time City came in first place, with 256 points, taking the cup from Warriors! Every child's contribution counted towards their team, however quickly or slowly they go- taking part is what counts. House Captains did a brilliant job! Cross country teaches teamwork, perseverance and resilience as well as being physically and mentally healthy. The next school running event will be the Santa Dash Fun Run on Friday 12th December! Yesterday Year 5 and 6 teams competed at the city finals at RGS. Results next week!**

# Cut Your Carbon!

This will come out on Seesaw to help your child and your family think about ways to cut your carbon and help protect our world for their future.

1. Make at least one journey more sustainable

☐

2. Go meat-free for a day

☐

3. Have a no food-waste weekend

☐

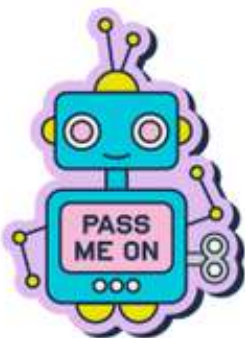

4. Turn down the heating by 1° for a week

☐

5. Design a flight-free holiday

☐

6. Say 'no' to a new item

☐

7. Donate something you no longer need

☐

8. Substitute 4 baths for 4 showers and limit them to 4 minutes

☐

9. Share carbon-cutting advice

☐

November is  
**Cut Your Carbon Month.**

Our children are passionate about caring for the world- for their futures, their health and the good of our planet.

In these colder months please try not to leave your car engine running while waiting to collect children.

THANK  
**YOU**

LOOK SMART  
**SAVE MONEY**

We also have plenty of pre-loved uniform and even some new shoes, so call into the school office if you need to replace a piece of uniform and want to save money and reduce waste. We may have what you need! We also take donations of good quality pre-loved uniform and are looking at ways that we can do the same for waterproof or school coats!
