In these colder months please try not to leave your car engine running while waiting to collect children.

LOOK SMART
SAVE MONEY

We also have plenty of pre-loved uniform and even some new shoes, so call into the school office if you need to replace a piece of uniform and want to save money and reduce waste. We may have what you need! We also take donations of good quality pre-loved uniform and are looking at ways that we can do the same for waterproof or school coats!
