## Our Number Day celebrations

On Friday 6th February please wear your Maths themed item with your school uniform to school. We will be celebrating with Oracy assemblies, giving the children opportunities to discuss and debate why Maths is important in daily life. We will talk about the different ways people use Maths in their jobs every day.

# Other highlights this week...

Our Year 5 and 6 netball team played some brilliant games at the RGS tournament this week.

Great results - well done!

Our Environmental Educationalists cooked with the produce from our allotment, lovely pasta. Thank you.

Check out these Year 2 gymnasts at Flics Gymnastics. What a great opportunity to spend some time in a real gym environment.
