Friday 13th February school finishes for half term

Tuesday 10th February is Safer Internet Day.

We will be focusing on all aspects of how to stay safe online; how to use phones and apps safely and responsibly and how to be a good person when online.

Please see Parentmail on how you can help to keep your child safe online and guide them through using social media and the internet.

Number Day

We had a superb Maths extravaganza on Number Day, thank you to all our families who made such an effort to recognise how important maths is in our daily lives.

London

Some children from Year 5 and 6 were lucky to be invited to visit the Houses of Parliament and the National Portrait Gallery this week. These sorts of opportunities are unique to St Barnabas and we are very proud that we are able to broaden our children's horizons like this. Our children were amazing. Thank you for your support.

Panathlon fun!

A group of our children travelled Regency High School to take part of inclusive sport activities. The children did a great job and represented St Barnabas beautifully.

GREAT JOB!

Saturdays throughout the year

Venues across Worcestershire

Bikes, trikes and helmets available

Steve was the most amazing teacher, my daughter took to him straight away and by the end of the session she was riding. He was kind, calm, encouraging and wouldn't give up!
