

Name	Year	Science Star of the Week! <small>w/b 9.3.26</small>
Connie Bayfield Vinnie Davies 	Reception	For enthusiasm for all science activities Fantastic explaining of his thinking 
Naomi James Alfie Newman-Harris	Year 1	For sharing brilliant environmental ideas For being a science super star 
Freddie Bird Cosmin Visan	Year 2	Great questioning skills For having excellent knowledge about wind 
Jennifer Antony	Year 3	For super knowledge of Roman numerals 
Freddy Munn Rory Orme	Year 4	For demonstrating enthusiasm during science week For excellent ideas and design skills
Will Waldron Kelsey Atkinson	Year 5	Sharing his knowledge and enthusiasm to support his team Brilliant enthusiasm in science week 
Leo Seldon, Jeremiah Lord, Izzy Davies, Lola Howden	Year 6	Great team work on producing their prototype creation during science week 
Nick Osypenko	Year 6	For his enthusiasm across our science week learning 
Addeline Attwood Zac Glackin -Stratford	School Artists	Fabulous space ship An amazing alien ship

Coming up soon...

Friday 20th March - Red Nose Day (Wear something red and bring a donation)

Monday 23rd March - Closing Date for Easter Egg competition

Tuesday 24th March - Easter celebration at St Barnabas Church- children only

Thursday 26th March - Year 3 Roman Museum parent workshop

27th March - Easter Bonnet parade- Friday morning!
Easter Holidays begin Friday afternoon!

Congratulations

A huge **congratulations** to Mr Forrester, who has secured an amazing promotion to become pastoral lead at Wolverley High School. Mr Forrester came to St Barnabas ten years ago as a 16 year old sports apprentice and is now a qualified sports teacher and coach and THRIVE practitioner, who does so much to promote health, fitness and sport for every child.

We are **so proud** of Mr Forrester and wish him every success in his new role but will, of course, be very sad to lose him from our team. Mr Forrester is a fantastic role model in our school community and we know he will go on and do great things for the children and young people at Wolverley! Mr Forrester's last day at St. Barnabas will be Friday 27th March.

Year 3 in Bath Roman fun

A group of our Year 3 children had a wonderful time on their residential trip to bath this week. Seeing their learning around the Romans come to life was very special. Thank you to all the adults who gave up their time to take the children away for this fantastic experience.

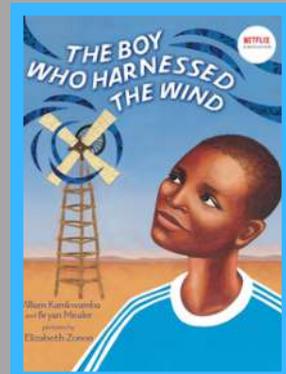

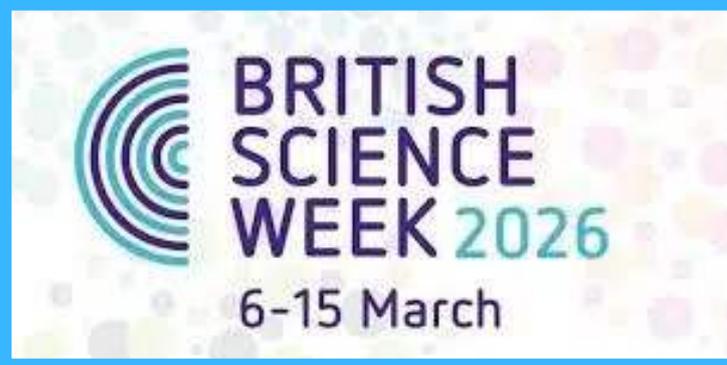

School Council - Red Nose Day

Friday 20th March

Wear something red and bring a donation

The children have wowed us this week with their ideas, creativity and scientific thinking. All children have completed projects inspired by the amazing story of William Kamkwamba, the boy who harnessed the wind. The week culminated in a Dragon's Den with experts from Science and Oracy deciding whether to invest in the children's ideas.

Dragons:

- Mr Shah - University of Worcester Physicist
- Mrs Hanson (Deborah Meaden)
- Mr Ager - Voice 21
- Miss Aubrey and Norman St Barnabas Science Leaders

DESIGN AN EGG!

EASTER EGG DECORATING COMPETITION!

Create, draw, decorate
or make an egg.

We can't wait to see
your egg-cellent
creations!
