

Look at all our awards and accreditations. Obviously, we don't do what we do to get awards but it just shows the hard work and dedication we put in to making our St Barnabas community shine. Our newest award, The Kind School Award, is one we are particularly proud of

THANK YOU TO OUR COMMUNITY

We have had one heatwave and there may be more very hot weather coming! Our priority will remain keeping our children, families and staff safe and comfortable in the heat. Thank you for your support in the last hot weather- we will update you if we expect any changes to the school day or week!

Malvern Hills day out

Year 6 had a wonderful day out on the Malvern Hills before the weather turned too hot. they travelled free of charge by train, thanks to Platform Rail. They then climbed the hills, learned about local history, checked their circulatory systems were working properly and had a cooling ice lolly in Priory Park. What a great day!

What a view!

My heart is pumping blood to increase oxygen in my muscles

Let's picnic!

Tickets available from the school office or on sale in the DT room before school next week.

Year 6 all have free entry but please let us know if your child is coming for numbers and planning.
