Year 6 children**

Royal Academy of Arts

We are so proud of Freddie Dadge in Year 4 who has been successful at getting a submission in to the Royal Academy of Arts Summer Show. There were over 25,000 entries of which only 1,000 have been selected. Freddie's sculpture, named Gossip, is now on display at the Royal Academy in London. What an amazing achievement. Go and see it if you are in London over the summer holidays!

well done to our brilliant winners of St. Barnabas's Got Talent, Betty and Lois. They stunned us all with their incredible acrobatics and daring gymnastics. Thanks to our judges, Beryl from Barry, Sheila from Aus and Tony from Liverpool for flying in and judging our superstars. Well done to all of our entries!

Street party

Wow, what an amazing street party to celebrate all of our achievements this year! Thank you to our brilliant PTFA for their help. More photos on our FaceBook page including our Country Dancers and choir who added some entertainment!
