FESTIVAL OF WORDS

Wow, what a week of words! We started with Michael Rosen on Monday, you turned out as a community for this amazing man! The book shop said it was the longest queue they had ever seen at one Michael's events!

Once we'd recovered from the excitement of having Michael here we were inspired to spend the week collecting more words. Thank you to nearly 200 families who came in to school for the Wordy Workshops and to Abbey and Lucy who ran fantastic activities for the children.

The week was finished off with a whole school assembly from Mrs Spence all about the words her grannies passed on to her. As ever, thank you for your support.

Your child's learning depends on your involvement and it was great to see so many of you with us this week.

Meet some of our Year 6 leaders!

Our School Council Officers will stay in post all year. They have written an application form and attended an interview with Mrs Hanson and Mrs Spence. They have been selected for the excellent range of skills and personal attributes that they will bring to the council. Key roles include representing our school to visitors, being excellent role models, leading assemblies, leading council meetings, organising events and deciding how we spend some school money.

Our House Captains have written and presented a speech to everyone in their house. They have been selected for the excellent range of skills and personal attributes that they will bring to their Houses and are also important role models and sport leaders. Their key roles include organising and helping at House events, representing our school to visitors, leading assemblies and inspiring other children to be resilient.

Choir join Armonico Consort

Our incredible Festival of Words has even included learning and singing in Latin alongside a professional choir and orchestra, at the stunning Malvern Priory. The concert was hosted by Armonico Consort and the children, made up of our Year 5 and 6 choir members, have had weekly rehearsals with a professional singer and conductor, with support from Mrs Smith this term. They also sung a world premiere of a piece of choral music composed by

David Buckley of Shrek fame!

Gloria in saeculorum- glory for ever and ever

Sancta Maria, pro nobis- Holy Mary, pray for us

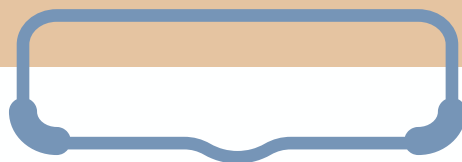

Solve vin clareis profer lumen caecis -Unbind the bonds; bring forth light to the blind.

Huge thanks to Mrs Smith and all the staff who helped make this happen.

An amazing opportunity for our pupils!
